

# GENE UARY

January 2021 - Jewish Genetics Awareness Month

## KNOWLEDGE IS POWER

Sunday 24<sup>th</sup> January | 7pm

Jnetics and Chana are excited to share news of their first joint event.

Hear from leading experts about Jewish genetic disorder carrier screening, fertility advice and the reproductive options available to ensure you don't pass on a genetic disorder to your future children.

*"We can deal with anything, once we know what we are dealing with."*

To register interest and receive zoom link please email [info@jnetics.org](mailto:info@jnetics.org)
